**DETAILS THE KILLING
OF CAPTAIN ERB.**
Mrs. Catherine Beissel Tells of
Wrestling Revolver From Erb
and of The Shooting.
[By United Press.]
MEDIA, Pa., Jan. 5.—Mrs. Catherine Beissel, sister of Mrs. Florence Erb, both of whom are on trial for the murder of Capt. J. Clayton Erb, today told of how she heard Erb quarreling with her sister and she rushed out to protect her and saw Erb with a revolver in his hand coming at her, and he said he would kill her, and as she advanced he sprang at her. "We clinched, and after a frightful struggle I found I had the revolver. I pulled the trigger and kept on shooting. I shot him and all grew dark," she testified.

Collision, Fifteen Are Drowned.
[By United Press.]
SYDNEY, N. S., Jan. 5.—Unable to swim, by reason of the heavy ammunition belts they wore, fifteen sailors were drowned today in a collision between the British cruiser "Encounter" and the collier "Dunmore." Both vessels were badly damaged.

On Banana River.
J. R. King and Joseph Osborne, with a colored man as cook and deck hand, made a trip down the river last week in Mr. King's boat "Cruiser," returning home Monday night. Most of their time was spent in hunting and fishing on the Banana river, with one night at Cocoa and another at Haulover. They found plenty of fish and ducks and bagged all they wanted to use. The weather was rather showery, but they managed to have a royal good time on the trip.

Anonymous Kicks Don't Go.
If "Citizen" will kindly furnish his name the peppy little communication of his will be handed out. Otherwise the Daily News would be held responsible for its sentiment and must decline to give it space. All newspaper editors, however well regulated, have "troubles of their own" without needlessly borrowing. So remember, those of you who have "kicks coming" that your kick communications must bear the bona fide autograph of the author.

By Way of Explanation.
Incoming trains from the North now will bring mail at 11:40 a. m., 1:45 p. m., and 1:37 a. m. The train arriving at Daytona at 11:40 a. m. will carry postal clerk.
Trains from the South (Northbound) will not only bring mail but receive mail. Their arrival is scheduled for 4:19 a. m. and 3:21 p. m. You understand that these trains are the mail carrying trains. The other trains do not carry mails. It will be observed that three Southbound and two Northbound trains carry mail.

**MUTINOUS SOLDIERS
AND TROOPS CLASH.**
Troops Are Repulsed With Loss
of Sixty Men—Gatling Guns
In Play.
[By United Press.]
AMOY, China, Jan. 5.—An official report was received today of a clash near Murden, Manchuria, last Sunday, between a thousand mutinous soldiers and government troops sent against them, with gatling guns. The troops were repulsed with a loss of sixty men. Reinforcements have been asked for.

Priority.
The wagons of "the greatest show on earth" passed up the avenue at daybreak. Their incessant rumble soon awakened ten-year-old Billie and his five-year-old brother Robert. Their mother feigned sleep as the two white robed figures crept past her bed into the hall on the way to investigate. Robert struggled manfully with the unaccustomed task of putting on his clothes. "Wait for me, Billie," his mother heard him beg. "You'll get ahead of me."
"Get mother to help you," counseled Billie, who was having troubles of his own.
Mother started to the rescue and then paused as she heard the voice of her younger, guarded, but anxious and insistent:
"You ask her, Billie. You've known her longer than I have."—Everybody's.
A Mean Man.
Medical Man-Johnson has done the meanest thing I ever heard of. He came to my house the other night, ate a big dinner, got indigestion and then went to another doctor to be cured.
The most wasted of all days is that day on which one has not laughed.—Chamfort.
